National Taiwan Normal University
Payment Standards Table on the Teaching and Research Remuneration of Postdoctoral Researchers

<table>
<tr><th rowspan="4">Payment for All Levels</th><th>Level</th><th>Remuneration (NTD/month)</th><th>Explanation</th></tr>
<tr><td>4</td><td>93,540～107,525</td><td rowspan="3">1. This payment table shall take effect starting on August 1st, 2017.
2. This table was reviewed and approved by a joint meeting of the University's Academic and Administrative Executives on June 21, 2017.
3. The amounts listed in the Table are the standard monthly teaching and research remuneration, which shall be paid monthly. If the period of employment is less than one month, the teaching and research remuneration shall be calculated based on the actual days of employment; the daily amount shall be calculated by dividing the total teaching and research fees of the month by the number of days of the month.
4. The Principal Investigator shall fill out the <u>Application Form for Postdoctoral Fellowship Teaching and Research Remuneration</u> (延攬『博士後研究』教學研究費申請表) (detailed in the attachment to the Table) based on the following principles and procedures:
（1） Comply with the relevant regulations of the project-commissioning grant institutions. Furthermore, relevant personnel-related expenses shall be paid as part of the project.</td></tr>
<tr><td>3</td><td>78,680～96,995</td></tr>
<tr><td>2</td><td>69,985～87,970</td></tr>
</table>

The English version is provided for reference only.
The Chinese version shall prevail in case of any discrepancies between the English and Chinese versions.

	1	56,580～ 78,225	**(2)The teaching and research payment shall be awarded after a comprehensive consideration of the academic achievements, academic status, special skills, work experience of the Post-doctoral Researchers, the value of recent publications, and the extent to which their research or teaching has contributed to the academic and scientific fields.** （3） **The filled-in *Application Form for Postdoctoral Fellowship Teaching and Research Remuneration* shall be reviewed and approved by the Principal Investigator and unit head (department, institute) to which the project belongs, and shall be attached with relevant supporting documents when completing the employment procedures required by the University. It shall serve as the basis for remuneration payment approval.** **5. Those whose personnel and teaching and research remuneration have been explicitly approved by the commissioned subsidy institutions, shall be governed by approved payment standards.** 6. **When the salaries of civil servants and teachers are adjusted by the Central Government, the monthly payment for each level listed in this Table shall be adjusted proportionally.**

The English version is provided for reference only.
The Chinese version shall prevail in case of any discrepancies between the English and Chinese versions.

Appendix

National Taiwan Normal University

Application Form for Teaching and Research Remuneration of Postdoctoral Researchers

*** I. Name of Project：**

計畫 主持人		Department/ Institute/ Unit of the Project				Accounting Serial Number	
		承辦人		校內分機/ 聯絡電話			
產學合作 機構				Full Duration of the Project	年　月　日至　年　月　日		
				國科會計畫編號 （非國科會計畫免填）	NSC/NSTC		
計畫 名稱							

*** II. Basic Information of the Recruited Postdoctoral:**

身分證號碼 (統一證號)					
中文姓名		英文姓名			
國籍		性　別	□男 □女	出生日期	19____年____月____日
聯絡地址	□□□□□				
聯絡電話	(公)　　(宅/手機)				
傳真號碼			E-mail		

*** III. Academic Qualifications** (Please list the degrees from highest to lowest; fill "in school" if not yet obtain a degree.)

學校名稱	國別	Major Course/Discipline	學位	起訖年月(西元年/月)
(Add more fields if necessary)				自___/___至___/

IV. Current Positions and Experiences related to Specialties (Please list full-time positions related to research in chronological order, from the latest to the earliest.)

服務機構	服務部門／系所	職稱	起訖年月(西元年/月)
現職：			自___/___至___/
經歷：(Add more fields if necessary)			自___/___至___/

V. Specialties (Please fill in the academic specialties related to the field of research.)

The English version is provided for reference only.
The Chinese version shall prevail in case of any discrepancies between the English and Chinese versions.

1. (Add more fields if necessary)	2.	3.	4.

VI. List of publications: (Please list the publications in order of importance and attach them to this application form as an appendix.)

1. Please list academic works published within five years (those who given birth or taken parental leave during this period may extend it up to seven years; or, those who have served in compulsory national service may be extended according to the actual length of service, but the relevant supporting documents shall be attached.), including journal articles, monographs, monograph articles, conference papers, technical reports, etc., prior to the application deadline. Lists works in each category in decreasing order of importance.
2. Please list your works in chronological order of publication, with information provided in this sequence: author's name (in the order of original publication, and the corresponding author shall be indicated by an asterisk "*"), year and month of publication, publication title, journal name (or book publisher), and relevant page numbers. Please attach a letter of acceptance if your work has been accepted but has yet to be officially published.
3. If a journal has been collected by a domestic or international journal database (such as SCI, EI, SSCI, A&HCI, Scopus, TSSCI, THCI Core, etc.), please indicate the name of such databases after the reference entry; if a work was derived from a MOST-funded research project, please include the relevant MOST project serial number at the end of the entry.

VII. Intellectual property rights derived from R&D results and their application performance：

1. Please list in the table below the intellectual property rights derived from the recruited person's individual R&D achievements and their application performance, such as (1) patents, (2) technology transfer, (3) licensing of works, and (4) other categories. If space is insufficient, please print out more blank forms.
2. Please list down chronologically by the date of commencement of the patent period, or the signing dates of technology transfers or licensing of works.

(1) Patent：Please fill in the patents still valid currently and the corresponding code numbers in the "Type" field: (A) invention patent (B) utility model patent (C) new design patent.

Type	專利名稱	國別	專利號碼	Inventor	Patent Owner	Patent Award Date	國科會計畫編號（非國科會計畫免填）
(Add more fields if necessary)							

(2) Technology Transfers：

技術名稱	專利名稱	Authorizing Unit	Recipient Unit	Date of Contract	國科會計畫編號（非國科會計畫免填）
(Add more fields if necessary)					
Transfer Performance：					

(3) Licensing of works：Please fill out one of the codes in the "Type" field: (1) linguistic work, (2) computer program work, (3) audiovisual work, (4) audio recording work, (5) others.

著作名稱	Type	著作人	著作財產權人	被授權人	國科會計畫編號 （非國科會計畫免填）
(Add more fields if necessary)					
Transfer Performance：					

(4) Other concrete achievements contributive to the development of industrial technology.

(Add more fields if necessary)

*** VIII. The principal investigator, taking into account the qualifications and academic experience of the recruited postdoctoral researcher, academic status, expertise and work experience, the value of recent works, the benefits and contributions of research or teaching to the domestic academic science and technology field, has approved a teaching and research renumeration amounting to NT$_____, payable starting from ____M____D____Y to ____M____D____Y.**
